

What to Bring Fishing

Clothing: -Be sure to carry at least one change of clothing for both hot and cold temperatures.
(It is common for the temperature to fluctuate from 44°F to 95°F daily. Water temperature is typically around 55°F.)
-When hiking, proper footwear is a must, and must be durable and comfortable.
-Avoid cotton if possible
-Rain gear
-Hat

Rigging:_____ Although we have rods available for use, many clients prefer their own.
The following is suggested gear.
